SITES

24

MONTHS' WARRANTY
ON PRODUCTS

10 000+

PRODUCT TEST
CYCLES

WANDERLUST WAS FOUNDED IN 1991 BY A GROUP OF ENGINEERS AND DESIGNERS WHO HAD PREVIOUSLY WORKED WITH THE VOLKSWAGEN GROUP, BMW, OPEL AND ISDERA.

We have adopted their standards: precision down to the micron, rigorous manufacturing processes and a commitment to customer service. That is why every part we produce is more than just a component: it is a guarantee of reliability and peace of mind on the road.

STAGES OF DEVELOPMENT

30 YEARS

EXPERIENCE IN THE AUTOMOTIVE PARTS MARKET

1991–1995	<p>FOUNDING AND FIRST CONTRACTS</p> <p>Manufacture of suspension and drivetrain components, commencement of deliveries to Europe and implementation of quality standards.</p>
1997–2008	<p>ENGINEERING CAREER</p> <p>Collaboration with German car manufacturers and the establishment of core principles: precision, durability and manufacturing discipline.</p>
2010–2012	<p>OWN BRAND AND EXPANSION</p> <p>Launching our own product ranges and expanding our product range.</p>
2016	<p>MODERNISATION OF PRODUCTION</p> <p>Manufacture of suspension and drivetrain components, commencement of deliveries to Europe and implementation of quality standards.</p>
2020-2026	<p>INTERNATIONAL DEVELOPMENT</p> <p>Expansion into global markets, growth of our partner network and development of our product range, all underpinned by rigorous quality control.</p>
